([www.anzsrs.org.au](http://www.anzsrs.org.au))

*Leading Respiratory Science in Australasia through the 21st Century*

## **2010 ANZSRS Research Grant Guidelines & Application**

### **Conditions**

- The ANZSRS research grant is offered to encourage and support research in clinical and/or laboratory-based respiratory science by Society members
- Only financial members of the ANZSRS who hold the CRFS credential are eligible to apply as principal investigator
- Funding for stand-alone projects up to a total amount of AUD\$15,000 will be available for disbursement. Unused funds must be returned to the ANZSRS
- It is expected that projects will take no longer than 12 months to complete – a progress report will need to be submitted at 12 months if not completed
- All research must comply with NHMRC and local ethics committee requirements – advice of ethics approval must be submitted to ANZSRS prior to study commencement.
- At the conclusion of the study a Final Report and a Statement of Expenditure must be submitted to the ANZSRS Board/Executive
- Successful applicants are required to present results of the project at the ANZSRS Annual Scientific Meeting
- All publications and/or presentations must acknowledge ANZSRS financial support

### **Applications**

- Application closing date is **November 6th, 2009**
- Applications must be submitted by email **and** by post for signed copies to addresses indicated on page 5 of this document
- All sections of this application must be completed in the sections provided using a minimum of 11 point font (Arial).
- Applications are assessed by a review panel appointed by the Scientific & Conference Committee. Successful applications will be announced by **January 15, 2010**.

<b>Project Title</b>			
<b>Applicant &amp; Principal Investigator (one name only)</b>			
<b>Name</b>		<b>Qualifications</b>	<b>Current Position</b>
<b>Associate Investigators</b>			
<b>Expected Start Date:</b>		<b>Expected Finish :</b>	

**Overview of Project (100 words maximum)**

**Background and Rationale for Project**

**Aims and/or Hypotheses of Project**

**Proposed Research Plan**

**References**

**Relevant Publications from Investigators**

**Successful Grant Applications from Principal Investigator (title, source, \$)**

**Proposed Project Budget** (include all anticipated project costs including staffing (FTE and grade/rate), equipment, consumables, statistical advice etc. in priority order)

Item	AUD\$
<b>Total Funds Requested</b>	

**Additional Funding?** Is the project dependant upon other revenue streams? Can the project proceed without the requested level of funding?

**Application Submission**

Completed applications are to be submitted to the Chair of the ANZSRS Scientific and Conference Committee by email ([jeff.pretto@hnehealth.nsw.gov.au](mailto:jeff.pretto@hnehealth.nsw.gov.au)) **AND** by post to:

**Jeff Pretto  
Newcastle Sleep Disorders Centre  
John Hunter Hospital  
Locked Bag 1  
Hunter Region MC NSW 2310**

**Closing date is November 6th, 2009**

**Certification by Investigator(s)**

In submitting this application we agree to comply with the conditions of the ANZSRS Research Grant as detailed on page 1 of this document.

**Principal Investigator**

Name: Signed: Date:

**Associate Investigator(s)**

Name: Signed: Date:

Name: Signed: Date:

Name: Signed: Date:

**Certification by Head of Unit/Department**

I certify that it is appropriate and feasible that this research project be carried out in my Unit/Department
