Australian and New Zealand Society of Respiratory Science Ltd  
Leading Respiratory Science in Australasia through the 21<sup>st</sup> Century

## ANZSRS Research Grant Guidelines & Application 2011/12

### Conditions

- The ANZSRS research grant is offered to encourage and support research in clinical and/or laboratory-based respiratory science by Society members.
- Only financial members of the ANZSRS who hold the CRFS credential are eligible to apply as principal investigator.
- Funding for stand-alone projects up to a total amount of AUD\$15,000 will be available for disbursement.
- It is suggested that projects take no longer than 12 months to complete.
- All research must comply with NHMRC and local ethics committee requirements. Advice of ethics approval must be provided before funds will be released.
- The ANZSRS Board will be grateful for a Final Report and a Statement of Expenditure at the conclusion of the study for its records and accounts.
- Successful applicants are encouraged to present results of the project at the ANZSRS Annual Scientific Meeting.
- All publications and/or presentations should acknowledge ANZSRS financial support.

**Note: This grant may be subject to goods and services tax (GST).**

### Applications

- Application closing date is the **second week of October**. Applications must be submitted by email **and** by post for signed copies to addresses indicated below.
- All sections of this application must be completed within the sections provided using Arial font of no smaller than 10-point font size. No additional pages can be included in any applications. All boxes will automatically resize to accommodate text.
- Applications are assessed by a review panel appointed by the Scientific & Conference Committee.
- Successful applications will be announced by **second week of January**.

### Application Submission
