

TRAVEL GRANTS TO APSR, BANGKOK, 2008

Applications are now open for ANZSRS members for travel grants to attend the 2008 APSR Congress in Bangkok, Thailand in November. This year we are fortunate to have 2 separate grants available, courtesy of Pharmaxis and Ascencia. Details regarding the conditions of the grants, and the application form are attached. Note that only one application is required for both grants - the Pharmaxis grant will be awarded to the highest ranked abstract, with the Ascencia grant being awarded to the second highest scoring abstract.

Documents regarding the Pharmaxis and Ascencia grants are attached as is an application form.

Contact jeff.pretto@hnehealth.nsw.gov.au for further details.
