## **TSANZ ANZSRS 2008 ANNUAL SCIENTIFIC MEETINGS MELBOURNE, MARCH 2008**

---

Festival City Conventions will once again manage the meeting and assist with sponsorship and the trade exhibition.

Early application is advisable to ensure that your company's marketing goals are realised. Detailed information on the trade exhibition will be forwarded in the near future.

We recommend that sponsorship and booth application forms are returned as early as possible to ensure sponsorship rights and exhibition space. Further information about the exhibition and a floor plan will be distributed in August. Companies should note that booths are allocated initially to sponsors and then to exhibitors strictly in order of the date of receipt of the booking form and payment.

### **Benefits**

Participating as an exhibitor at this Meeting provides a unique opportunity for you to promote and showcase your products and services. The Meeting is also an opportunity for you to network with other major sponsors from a variety of organisations and businesses. You will have direct access during the two Meetings to 600 - 700 delegates (clinicians, scientists, nurses, physiotherapists and other health professionals involved in respiratory care).

The benefits to your company include:

- an enhanced company profile
- increased customer contact and business opportunities
- a unique opportunity to give clients "hands on" experience with your products
- an opportunity to launch new products

This will result in:

- heightened awareness, an enhanced corporate/product profile
- increased business potential

This is achieved through:

- pre-Meeting promotion in Association publications and functions
- exposure in all printed Meeting material, including the main announcement and Registration Brochure, the Meeting website and final program

*NB: Your involvement will be featured in all printed material from the time you confirm your commitment, subject to printing deadlines. It will be to your advantage to take up this opportunity immediately in order to gain maximum benefit through pre-Meeting exposure.*

### **Why Delegates Will Attend Your Booth**

#### **Plenty of exhibition time built into the program**

The program has been designed to provide exhibitors with maximum exposure to delegates. The TSANZ Welcome Reception will take place on Sunday 29 March, with viewing and hospitality until the afternoon of Tuesday 1 April. The TSANZ Meeting commences with lunch in the exhibition area, and on each of the days there is generous exhibition hospitality time – all tea breaks and lunches are served in the exhibition area.

#### **Welcome Reception**

The Sunday TSANZ Welcome Reception will be held in the exhibition area ensuring you have direct access to Meeting delegates.

#### **Exhibition Passport Prize**

This competition encourages delegates to attend all the exhibition booths. Delegates are provided with an exhibition passport featuring the names of all exhibitors. To be eligible for the grand prize, delegates must have their cards signed or stamped by every exhibitor. Each company must provide their own stamp.

#### **Catering in Exhibition Area**

Welcome refreshments, morning, afternoon teas and lunch each day will be served in the exhibition area.

#### **Exhibitor Competitions – Prize Presentation/Drawings**

To maximise delegate activity in the exhibition area we will be drawing/presenting exhibitors' prizes in the exhibition area on Tuesday 1 April during the lunch break. Exhibitors will be called up alphabetically to draw/present their prizes. This is an additional opportunity to have your organisation acknowledged. (However, due to the number of prizes offered, time does not permit promotional speeches.)
