

AUSTRALIAN & NEW ZEALAND SOCIETY OF RESPIRATORY SCIENCE INC.

(www.anzsrs.org.au)

Leading Respiratory Science in Australasia through the 21st Century

Education Scholarships

- ANZSRS Scholarship for Tertiary Study
- ANZSRS Research Grant

A maximum of two scholarships valued at \$2,500 or 50% of tuition, costs whichever is the lesser, will be awarded per year.

ANZSRS study grants are intended to support the educational development of the members of the Society. The grant towards tuition costs is designed to support members undertaking relevant tertiary education in Respiratory Science. Applicants should have been members of the Society for at least 2 years, must be accepted for the course, must work in respiratory science and have received less than 50% of tuition costs from their employing institution.

The Research Grant is designed to foster the development of academic excellence amongst members who may not have alternative means of support. The grants will be awarded for projects that will lead towards improved application of Respiratory Science to the investigation and understanding of patient conditions. Applicants must have been members of the Society for 5 years and hold the CRFS credential. Any research project must have been approved by the Head of the Department in which it will be completed and by the local Ethics committee, and the requested funds must not include any salary costs. It is expected that any such project will be presented at the next Annual Scientific Meeting of the Society.

Applications must reach the Secretary by 30 November of the year prior to study / award. The outcome of the application will be advised by the end of January following the application.
