

VIASYS australia

presents
User Group Forum
Friday 4th April 2003

Meeting Room 4, Adelaide Convention Centre

1.30pm to 3.00pm Presenter: Mr Todd Austin (USA), SensorMedics

3.30pm to 5.00pm Presenter: Mr Hans Jurgen Smith (Germany), Jaeger

We invite you to attend the inaugural User Group Forum. You will have the opportunity to learn more about your system/s and its capabilities. You will also have direct contact with the manufacturer's representatives, which will allow you time to discuss any issues and concerns that you would like to raise.

Please confirm your interest by completing the section below and faxing to:
